	Happened only this time			
Relevant monitoring period, if applicable	Start date	02/01/2023 –		
	End date	01/01/2024		
Summarise the changes	As per principles & requirements annual report should be submitted annually in case of no completion of verification. Refer to latest version of Deviation Request Requirements and Procedures for requirements and guidelines			
Reason for deviation	We want to avoid the decertification as a consequence of missing submission of annual reports. The current and ongoing performance review (December 2025) represents itself that project activity was ongoing during MP 02/01/2023 – 01/01/2024			
Proposed resolution	Information preview to be included in the annual report, have now been submitted as part of the ongoing 1 st Performance review. And no longer missing information are preview since new annual report for MP 02/01/2024 – 01/01/2025 has been already submitted in the GS platform. Please include all relevant information in support of the request.
