GOLD STANDARD FEE SCHEDULE

Version 3.0

5 December 2024

INTRODUCTION

The following Fee Schedule went into effect on [05 December 2024] for all Gold Standard for the Global Goals projects. All fees quoted are in US dollars (USD). Gold Standard will do a planned review of its fees every two years to ensure alignment with its mission, sustainability of the organisation and services provided, and simplicity and transparency for stakeholders. Gold Standard reserves the right to add or amend fees at any time at its sole discretion.

Gold Standard reserves the right to suspend any Registry account due to non-payment of fees for more than 60 days. All suspended Registry accounts must pay a Registry reactivation fee to terminate a suspension.

Please contact help@goldstandard.org with questions.

PROJECT REVIEWS AND CREDIT ISSUANCES

This table captures fees relevant for projects seeking Gold Standard certification, including those wishing to issue carbon credits.

TYPE	FEE	TERMS
CORE (relevant for most projects)		
Registry account ¹	\$1000	Annual, per organisation
Preliminary review (listing)	\$1000 (40% discount for microscale + regular VPAs)	Per project or PoA & 1 st VPA ² , at submission
Design review (registration)	\$2500 (40% discount for microscale + regular VPAs)	Per project or PoA & 1 st VPA ³ , at submission ⁴
Performance review	\$2000 (40% discount for microscale + regular VPAs)	Per project or VPA, at submission ⁴
Issuance	Two options ⁵ : <ul style="list-style-type: none"> • CASH: \$0.25/credit – OR – • SOP: \$0.15/credit plus 2% of issuance For projects in LDCs: <ul style="list-style-type: none"> • CASH: \$0.20/credit – OR – • SOP: \$0.10/credit plus 2% of issuance 	Per credit (VER) at issuance request
OTHER (if requested)		
Design Certification Renewal Fee	\$2000	Per project, at request to renew crediting period (5 year cycle)
Design change review	\$1000	Per project, at design change request
Deviation reconsideration request	\$1000	For overturned decisions, discounted from next applicable fee
CER to VER conversion fee	\$0.15/credit	Per credit at conversion request

¹Registry fees are pro rata. Gold Standard reserves the right to suspend any Registry account due to non-payment of fees for more than 60 days. All suspended Registry accounts must pay a Registry reactivation fee of \$1500 to terminate a suspension.

^{2,3} Programme of Activities (PoA): Any real case Voluntary Project Activity (VPA) and 1st VPA (as per PoA hierarchy) are charged the same fee as a normal project with subsequent regular VPAs discounted by 40%. For Microscale PoAs, the 40% discounted fee also applies. (

⁴ For products such as Averted disability-adjusted life year (ADALYs), Water Benefit Certificates (WBCs), Gender responsive certification, an additional fee of \$500 per product type for Design Review and \$500 for Performance Review. Applicable to all scales, per project.

⁵ Projects may change from Cash to Share of Proceeds (SOP) model at any issuance request.
