

WATER BENEFIT STANDARD POSITIVE LIST FOR WASH PROGRAMMES

The project shall meet all the following requirements to be considered as meeting the financial needs criteria under the positive list.

- A. The project is located in a country or region with a recent UNDP Human Development Indicator below 0.6¹

- B. The project developer shall provide evidence that they are not engaged in profiteering from the project outcomes but rather any revenue is used to enhance access to clean, reliable drinking water and / or improved sanitation for the end user within the project's boundary of influence.

- C. The project activities shall demonstrate that they address a major gap in service delivery.

The project is located in a country that has failed to meet its most recent Millennium/Sustainable Development Goal progress targets for sanitation².
